P. C. Holland, Pres.

Dear Sir: One of the most important captures by our local department was made Thursday morning, Oct. 22, when Sergeant John Hott, Police Chauffeur Wm. Rugenstein, and Officers Schuchman and Johnson arrested William Miller, Henry Lane, George Burke, Max Hildebrand, and John Murphy five bandits who held up a pool room at Terre Haute on Oct. 21, at 3 a. m. The five masked men equipped with guns entered the pool room at the Terre Haute and bound Ed Broadhurst, a P. O. check, proprietor of the Plaza Hotel and pool room, and five other men. They looted the cash register of \$1,000.00, and made their "getaway" in a high powered machine. Our local authorities received the "tip" by telephone that they were headed toward Indianapolis, and our Captain Anderson immediately began to cover every road leading into the city. The above mentioned officers equipped with riot guns left headquarters in the emergency automobile in search of the bandits, and twelve miles west of the city, an automobile loaded with men was sighted coming at a rapid pace. As they drew near the driver of the police emergency car averred the car roared across the road to stop them, and the bandits taken unaware were immediately covered with riot guns. They were searched and all had large caliber guns. A large quantity was recovered that was stolen, and they were taken to Terre Haute Thursday afternoon by police authorities of that city. It has since been ascertained that George Burke had been in Indianapolis off and on for the past week and in the room at the hotel in this city, occupied by these bandits, a grip was recovered containing a complete safe burglar's outfit, containing nitroglycerin, gun-powder, fuse, caps, jimmies and other accessories necessary for the blowing of a safe.

When arrested the three men gave their names as J. W. Coleman, J. H. Brayton and Thomas Harding. Coleman was identified as being James Johnson, alias "Toronto Jimmy", Brayton as being Barney Hunt, and Harding as Edward Hartman, a parole violator from Pennsylvania.

They were charged with having burglarized the safe of the Star Laundry at Paducah, the safe in the post office at Smithland, Kentucky, and the safe in the jewelry store named. Dear Sir: Please find enclosed a photo

JOHN E. SHEA

of John E. Shea, alias Joe Davison, alias Joe Dawson, alias W. H. Smith, arrested by Officers of this Department charged with breaking and entering, on the night of Dec. 12th last.

We have investigated this man's movements as far back as last August and found that he has been rooming at a hotel in Berwick, Pa. The prop. at this hotel, stated Shea always shows up early in the A. M. and after having his breakfast, goes to bed, getting up about 6 p. m. He told the prop. that he was a investigator for the R. R. Co., but did not state what company. Shea also had a \$50.00 bill changed at this hotel on Nov. 23rd last.

The days registered at this hotel as follows: Aug. 20, 21; Sept. 21; Oct. 5; Oct. 20, 21, and 22; Nov. 28, all 1918.

Through our investigation we find that Shea is operating with two other men using a Ford auto, in their trips at night. Description of these men as follows: Tall heavy set man about 40 yrs., wore a dark slouch hat, small black mustache, dark overcoat. No. 2 man of medium build, wore a winter cap, brown suit, and dark overcoat. These two men men-
tioned escaped the night Shea was ar-
rested.

On Shea's person when arrested was found a card from the Loyal Order of Moose, dated June 25th, 1917, No. 201 Lodge No 787, from Globe, Arizona. Also had registration card from Wilmington, Del.

Shea has a sister residing in Scranton, Pa. who stated that her brother had not been home for nine years, and that he was traveling in and out of the town, and that she was not surprised to hear that he was in trouble, for he was a desperate man.

There have been a number of safes blown in this vicinity in the last 6 mos. and we have every reason to believe that we have the right man. I wish you would publish this photo in your paper, as we would like very much to get this man's record, or probably he may be wanted some where west of the Mississippi River. We are holding him at the present time charged as above stated.

SAFE CRACKED

Sometime between the hours of 11:30 P.M. September 10th, and 5:35 A.M. September 11th, the safe of the Anchor Stage Depot was blown open and about \$1000.00 taken. Entrance was gained either through the air shaft, reached by climbing a telegraph pole in the alley, and then over the roof, exit having been made the same way, or it is possible that they may have been secreted in the building at the time of closing. This job was one of the most complete ever pulled in this city. It was evidently pulled by an expert. With the exception of the combination being missing, the outside appearance of the safe showed no signs of the safe having been blown open. No chance whatever for finger prints and a day later safe cracker returned checks to the amount of \$221.11.

CARD 545 CONTINUED:-

The outer combination of the safe had been knocked off, as had also the combination on the strong box on the inside of the safe. The soft soap used had been mixed with cotton batting and blanket rolls had been cut open and thoroughly saturated with water and placed around the safe to deaden the sound of the explosion. We figure the man responsible for this job was a man above ordinary intelligence and a man with some feeling and consideration for "the other fellow" or he would not have returned the checks.

The UNITED STATES FIDELITY & GUARANTY CO. and the REPUBLIC CASUALTY CO. each offer a reward of \$100.00 for the arrest and conviction of the parties who robbed the safe of the INTERURBAN AUTO STAGE TERMINAL ASSOCIATION, and TEN PER CENT of any of the stolen moneys that may be recovered.

WIRE ANY INFORMATION ON ANY OF THE ABOVE AT MY EXPENSE.
